

DONUTS WITH THE DEAN

Calling all incoming 4th-7th grade students...

The #spssummerreadingchallenge is on!

My challenge to our 4th – 7th grade students is to have fun this summer and read! We know that reading is one of the best ways to continue boosting academic performance in all subject areas. This year we will once again recognize our 4th – 7th grade students who read at least 1,000 pages this summer. You may count your summer reading book(s)!

Turn in your reading log either by emailing a copy to me (ljohnson@stpetercov.org) throughout the summer with your progress, or giving it to your new teacher on the first day of school. We look forward to celebrating all students who go above and beyond reading with a donut party the second week of school! We will also award the students who read the MOST books in each grade level.

Be sure to post pictures on the St. Peter Family Information Facebook Page as well as book recommendations.

Happy reading!

Mrs. Johnson
