

## Service Hours Expectations for St. Peter Catholic School for 2022-2023

5<sup>th</sup> grade = 5 hours      6<sup>th</sup> grade = 7 ½ hours      7<sup>th</sup> grade = 10 hours

### **Please keep in mind the following expectations when completing service hours:**

1. Students are encouraged to receive their service hours by offering assistance to their church, school, and local community. They may do this by performing any of the corporal works of mercy within the context of a *parish or archdiocesan ministry*, or by helping a *non-profit group or charitable organization that is in moral-keeping with the Catholic Faith*.
2. Service Hours can be obtained through service projects sponsored by various ministries of the Church including Church youth groups, Altar Servers, and Scouting. For the service hours to be counted, the project must be addressing a need of the parish (which includes St. Peter Catholic School), or other charitable group.
3. Altar servers may count the entire length of Mass (1 hour) for recording purposes.
4. Service Hours are to be completed during the student's spare time (outside of class time).
5. Students are to complete at least two different acts of service.
6. Service hours may be completed anytime throughout the year, including the summer. At least one of the two acts of service should be completed during the school year.
7. Service Hours can be something done ordinarily for money, such as working in the family business, babysitting, household chores, or cutting grass, as long as you do not get paid in any way for your service.
8. All 7<sup>th</sup> grade students are required to complete 10 service hours in order to graduate.
9. Service Hours for the 2022-2023 school year may be earned between Wednesday, April 27, 2022, and Tuesday, April 25, 2023.
10. Service Hours for the 2022-2023 school year are **due on Wednesday, April 26, 2023**.

### **There are opportunities for your child to receive Service Hours at school. Teachers will let students know when these opportunities become available. Other suggestions include:**

1. Service done to assist the Parish. This would include any projects that foster the growth of parish ministries (i.e. Youth Group service projects, helping out in the Youth Faith Formation program, helping in cleaning and maintaining the parish campus, etc.) or assist in Parish / School related activities (i.e. Parish Picnic, Vacation Bible School, KC Fish Fries, KC Easter Egg Hunt, Camp Roadrunner, school or church clean-up days, etc.).
